

# CARBON OFFSET CERTIFICATE

**FORLIANCE**  
GROWING CLIMATE ACTION

## RAMPA GmbH & Co. KG

No.: FORLIANCE-72581/2023

This certificate confirms that the greenhouse  
gas emissions of the 2022 Corporate Carbon Footprint in amount of

**187 tons of CO<sub>2</sub>-equivalents**

in the following entry of the Gold Standard Registry

GS1-1-PA-GS2940-22-2017-21671-64964-65150 – 187t

will be offset by the high-quality climate protection project

### **CO<sub>2</sub>OL Tropical Mix, Panama:**

The project provides for sustainable timber production and cocoa cultivation;  
it protects biodiversity and restores a healthy forest ecosystem. These  
climate reforestation measures are validated by independent  
third parties in accordance with Gold Standard.
